**Welcome from Brian McGregor**

Hello and welcome.

A particularly warm welcome to you if you're a new subscriber. It's good to have you as part of the family taking my eBay auction newsletter.

Well, here we are. The end of 2006 is approaching, and this will be the last eBay Auction Newsletter of the year.

It's a lot shorter than normal.

There are no articles for you, no suggestions, no ideas. It should take you about 60 seconds to get through it!

**However, in the spirit of Christmas, what I do have for you are a sackfull of gifts.**

I hope you can take some of these gifts and make money with them by using your eBay knowledge and experience.

I sincerely wish you and yours a happy Christmas and a peaceful New Year.

Look forward to speaking with you again next year.

A handwritten signature in black ink that reads "Brian McGehee". The signature is written in a cursive style with a long, sweeping underline.

## 1. Inspirational Quote of the Day

"The cyclone drives its powers from a calm center. So does a person."

**Norman Vincent Peale**

## 2. Christmas Gifts For YOU!!

It has become a convention at this time of year for internet marketers to offer bundles of products free.

**If you've never had access to these giveaways, you're in for a treat.**

These products typically include ebooks and software which you can use yourself to help in your own online businesses - eBay and websites.

Some come with resell rights, so you can sell them and make money.

Here are two of the biggest giveaway sites for Christmas 2006:

[The Super Gifts](#) - hundreds of free ebooks/software items, including [one from me](#).

[The 12 Days of Christmas](#) - 78 free ebooks/software items

And here are a few more free downloads for you for to enjoy in holiday season:

[A Christmas Cookbook](#) - Christmas recipes for all times of day.

[Simply Christmas](#) - Christmas quiz, recipes, origami etc.

[A Christmas Carol](#) by Charles Dickens. Never read it? You're in for a treat.

And, finally....

**My Christmas Card to you**

It's sub-titled "[Under the Mistletoe](#)".

Just click on the big arrow, and have your speakers turned up.

### 3. Someone's auctioning what? Unusual items currently available

Nothing surprises me when it comes to internet auctions. Amuse yourself with some of these beauties.

[If you're looking for a peaceful Christmas, I can't think of anything better than this.](#)

[Are you dreaming of a white Christmas? Stop dreaming, and get this!](#)

[In the spirit of Christmas, I just wanted to give this very poorly constructed auction more exposure](#)

[How about a Christmas date with Robert Redford? At least I think it's him - scroll down to the big photo!](#)

[Want to feel young again? Here's a guaranteed way how you can do it.](#)

Disclaimer - I have no association with any of the sellers of the above items.

**NOTE:** Depending on when you view this newsletter, you may find some links to third party sites no longer work. I know how frustrating this can be. But please don't shoot the messenger! The internet is a fast moving environment and, as the newsletters age, it is to be expected that some links may become obsolete over time.

The moral of the story?

If the newsletter sends you to a site that interests you, and you think you might want to refer to it later, make sure you store the site address in YOUR favorites.
